

## Caverion Germany acquires Schulz Lufttechnik GmbH in Germany

Press release  
8 April 2025 at 12:30 CET

Caverion Germany has acquired Schulz Lufttechnik GmbH on 4 April 2025. Schulz Lufttechnik GmbH is a family-run company, with over 30 employees and annual revenue of more than EUR 5,5 million (SEK 61 million). The company is based in Sprockhövel, North Rhine-Westphalia and offers solutions in the fields of ventilation, air conditioning, cooling, filter and cleanroom technology. With this acquisition, Caverion Germany further strengthens its position especially within cleanroom technology.

The company will remain an independent company within Caverion Germany. and the previous co-owner, **Dr. Arndt Schulz**, will continue as the managing director.

"We are pleased to further strengthen our position with Schulz Lufttechnik GmbH, a recognised specialist in ventilation as well as filter and cleanroom technology," says **Manfred Simmet**, EVP and CEO, Caverion Germany.

Schulz Lufttechnik GmbH has strong expertise particularly in the cleanroom sector with customers including universities, clinics, and companies in the pharmaceutical and chemical industries. For Caverion Germany, as an expert for smart and sustainable built environments, the acquisition of Schulz Lufttechnik GmbH offers key commercial synergies, further strengthening the Group's leading position in Germany.
